Features:

- Aluminum grid table with spoil board
- Drill block with 9 drilling spindles
- FANUC 0i-F Plus control with 15" touchscreen
- 13.4 hp high-performance spindle
- Attached 16 position rotary tool changer
- Solid welded steel construction

Materials:

Wood

Metal
(non-ferrous)

Composite

Plastic

Specifications:

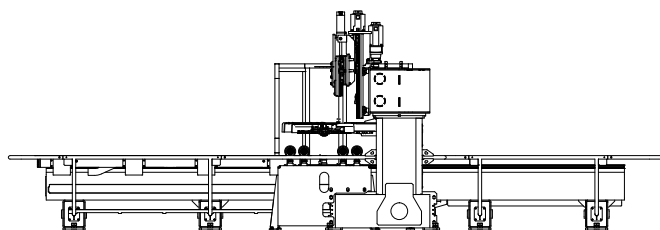

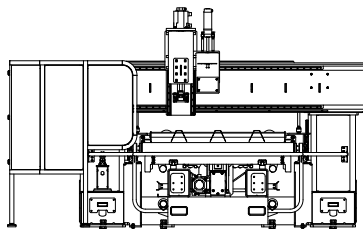

TABLE SIZE

X	97.5"	2477mm
Y	49"	1245mm
Z-Stroke	16"	406mm
Z-Clearance	12"	305mm

Roller hold down clearance 1.73" when using ¾ spoil board.

OVERALL FOOTPRINT*

L	235.25"	5975mm
W	127.5"	3239mm
H	79.5"	2019mm

*Includes all safety guard rails.

Available Options:

- Multi-vacuum table with 8 independent zones
- Off-feed table with pusher bar
- 24 position tool changer

SPINDLE

Max Spindle Power	13.4 hp air cooled
Max Spindle RPM	24,000
Rotation	CW & CCW
Tool Taper	HSK63F

MAX RAPID SPEEDS

X axis	60m/min
Y axis	60m/min
Z axis	15m/min

TOOL CHANGER

Type	Attached rotary
Position	16
• Tool Touch Probe • Tool blow-off • Fanuc Servo drive w/ absolute encoder positioning	

DRILL BLOCK

Vertical drilling spindles	9
*others available	

DUST COLLECTION

Retractable Dust Cover
Pusher Bar 1230 CFM @4500 FPM

Vacuum Pump Options:

- Becker Dry Vane 250 VTLF 2.25 @ 169 SCFM
- Becker Dry Vane Twin 250 VTLF 2.25 @ 338 SCFM
- Dekker Oil Sealed 25hp 410 SCFM
- Dekker Oil Sealed 40hp 550 SCFM
